EXPERIENCE

Front-end Web Developer, Lampros Labs
Cincinnati, OH — 2015-Present

Working with clients and back-end developers to build sleek and modern web apps. My tasks include creating wireframes, mockups, and building the final website.

Animator & Layout Artist, Flaming Medusa Studios
Cincinnati, OH — 2014

Worked with a team to animate a policy explanation video for an insurance company during an extremely short deadline (three days). I also helped with the layout work for other animators.

Graphic Designer, University of Cincinnati Center for Simulations & Virtual Environments Research
Cincinnati, OH — 2009-2013

Team lead of student workers. Tasked to produce any graphical needs of clients. Specialized in creating 3D models, animations, and environments for use in virtual environments.

Graphic Designer, United States Probation Southern District of Ohio & United States Pretrial Services Southern District of Ohio
Cincinnati, OH — 2010-2012

Designed official seal and annual report cover letters.
